Dear Ms. Ziegler,

Effective June 15, 2001 Reading Terminals Corporation and related company Eldorado Properties Corporation completed preliminary closure of its Tuckerton Petroleum Storage Terminal. All tanks were empty and loading operations ceased. Since then all tanks have been cleaned and lines purged. The terminal is scheduled for demolition in the next 60 days. Please change the status of this facility to closed. If you have any questions regarding this closure please contact me at 717-939-0466.

Sincerely,
